PREAMBLE

In order to establish harmonious employment relations through a mutual process, to provide fair and equitable treatment to all employees, to promote the quality and continuance of public service, to achieve full recognition for the value of employees and the vital and necessary work they perform, to specify wages, hours, benefits and working conditions, and to provide for the prompt and equitable resolution of disputes, the parties agree as follows:

AGREEMENT

This Agreement has been made and entered into by and between Mercer County (hereinafter referred to as the "Employer") and the International Union of Operating Engineers, Local 150, Public Employees Division (hereinafter referred to as the "Union"), on behalf of certain employees described in Article I.

ARTICLE I – RECOGNITION

Section 1.1 – Recognition

The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages and salaries, hours, working conditions and other conditions of employment for employees within the following collective bargaining units, as certified by the Illinois State Labor Relations Board:

Included: All full time and regular part-time administrative employees of the Fourteenth Judicial Circuit in the offices of Probation and Court Services; All full time and regular part-time administrative employees of the County of Mercer in the following offices: County Clerk, County Assessor, County Treasurer, County Recorder, Animal Control, Board Secretary and; and All full time and regular part-time administrative employees of the Mercer County State's Attorney's Office. All full time and regular part-time administration employees of the Circuit Clerk of Mercer County.

Excluded: All supervisory, managerial and confidential employees as defined by the Illinois Public Labor Relations Act.
Section 1.2 – New Classifications

The Employer shall notify the Union within fifteen (15) working days of its decision to implement any and all new classifications pertaining to work of a nature performed by employees within the bargaining units. If the new classification is a successor title to a classification covered by this Agreement and/or the job duties are functionally equivalent to those now being performed by any of the classifications covered by this Agreement, the new classification shall automatically become a part of this Agreement and the parties shall jointly file the appropriate petition for accretion with the Illinois State Labor Relations Board.

If the new classification contains work which is functionally equivalent to work now being performed by any of the classifications covered by this Agreement, and the Union notifies the Employer of a desire to meet within fifteen (15) working days of its receipt of the Employer's notice, the parties will then meet to review the proposed classifications. If it is determined that the position is to be in one of the bargaining units, by stipulation of the parties or by decision of the State Labor Relations Board after appropriate unit clarification proceedings, the parties shall negotiate the proper rate of compensation. If the parties are unable to reach agreement as to the proper rate of compensation, the parties shall submit the question to Step 3 of the grievance procedure. However, the Employer is free to assign a temporary rate pending resolution of negotiation or grievance procedures.

Upon the adoption of the new position classification, the filling of such position(s) shall be in accordance with the posting and bidding procedures of this Agreement.

ARTICLE II – NO STRIKE/NO LOCKOUT

Section 2.1 – No Strike/Slowdown

During the term of this Agreement, neither the Union nor any officers, agents, designees or employees of Employer shall instigate, promote, sponsor, engage in or condone any strike, slowdown, concerted stoppage of work, with the express exception of non-payment of wages and/or changes in health, pension and other economic benefits afforded employees covered herein.

Section 2.2 – No Lockout

During the term of this Agreement, the Employer shall not instigate a lockout over a dispute with the Union so long as there is no breach or violation under Section 1 of this Article.
Section 2.3 – Union Responsibility

Upon written notice by the Employer to the Union that certain employees within the bargaining unit are engaged in a violation of this Article, the Union shall immediately make reasonable efforts to secure their immediate return to work.

Section 2.4 – Penalties

Any employee engaging in activity prohibited by this Article, or who instigates or gives leadership in such activity, shall be subject to disciplinary action by the Employer. In any arbitration proceeding pursuant to a breach of this Article, the sole and exclusive question for an Arbitrator to determine is whether the employee engaged in activity prohibited by this Article.

In addition to penalties provided herein, the Employer may enforce any other legal rights and remedies entitled to by law.

ARTICLE III – SUBCONTRACTING

Section 3.1 – General Policy

It is the general policy of the Employer to continue to utilize employees to perform work they are qualified to perform. However, in an emergency situation the Employer may temporarily contract out any work it deems necessary.

Section 3.2 – Meet and Negotiate

Prior to the Employer changing its policy involving the overall subcontracting of work in one of the bargaining units, the Employer shall notify the Union and offer the Union an opportunity to meet and negotiate the desirability of such subcontracting of work, including means by which to minimize the impact of such on employees.

ARTICLE IV – UNION RIGHTS

Section 4.1 – Union Activity During Working Hours

Employees shall, after giving appropriate notice to their supervisor, be allowed to attend grievance hearings and other activities of such nature if established by this contract, if such employees are entitled or required to attend such meetings by virtue of being Union representatives or participants in grievance hearings. Such incidents must relate to disciplinary action of an employee and not be an unreasonable interference with the Employer operations.
Section 4.2 – Time Off for Union Activities

Union Stewards shall be allowed time off without pay for legitimate Union business such as Union meetings, State or International conventions, provided such representatives give reasonable prior notice to his/her supervisor of such absence and shall be allowed such time off if it does not substantially interfere with the operating needs of the Employer. The employee may utilize any accumulated time off (Holiday, Personal, and Vacation Days) in lieu of the employee taking such without pay.

Section 4.3 – Union Bulletin Boards

The Employer shall provide bulletin board and/or space at the work location. The Boards or space shall be for the sole and exclusive use of the Union.

ARTICLE V – UNION DUES/FAIR SHARE CHECKOFF

Section 5.1 – Deductions

The Employer agrees to deduct from the pay of those employees (who are Union members and individually request it) any or all of the following:

(a) Union membership dues, assessments, or fees;
(b) Union sponsored credit and other benefit programs.

Requests for any of the above shall be made on a form provided by the Union and shall be made within the provisions of the State salary and annuity withholding Act and/or any other applicable State statute.

Upon receipt of an appropriate written authorization from an employee, such authorized deductions shall be made in accordance with the law and shall be remitted to the Union on a monthly basis at the address designated in writing by the Union. The Union shall advise the Employer of any increases in dues or other approved deductions in writing at least thirty (30) days prior to its effective date.

Section 5.2 – Fair Share

Pursuant to Section 3 (G) of the Illinois State Labor Relations Act and amendments thereto, employees covered by this Article who are not members of the Union or do not make application for membership, shall be required to pay, in lieu of dues, their proportionate fair share of the
collective bargaining process, contract administration and the pursuance of matters affecting wages, hours, terms and conditions of employment, as certified by the Union.

The proportionate fair share payment, with a letter of explanation as to that fair share payment, as certified to be current by the Union pursuant to the Illinois State Labor Relations Act, shall be deducted by the Employer from the earnings of the non-member employee each pay period.

The amount of the above employee deductions shall be remitted to the Union after the deduction(s) is made by the Employer with a listing of the employee, social security number, address and the individual employee deduction(s), along with deductions remitted pursuant to this Article.

**Section 5.3 – Checkoff/Fair Share Deductions**

The Employer agrees to deduct from each pay period, Union dues and other assessments made pursuant to this Article, from the pay of those employees who are Union members covered by this Agreement and who individually, on a form provided by the Union, request in writing that such deductions be made. The Union shall certify the current amount of Union deductions. A Union member desiring to revoke their Union membership may do so by written notice to the Employer and Union, whereupon, such employee shall pay their fair share amount in accordance with Section 2 of this Article.

**Section 5.4 – Indemnification**

The Union shall indemnify, defend and hold the Employer harmless against any claim, demand, suit or liability arising from any action taken by the Employer in complying with this Article.

**Section 5.5 – Appeal Procedure**

The Union agrees to provide fair share payers with an appeal procedure in accordance with applicable law.

**ARTICLE VI – EMPLOYEE TRAINING AND EDUCATION**

Employees shall be afforded employee training and education programs pursuant to any past practice and procedure by the Employer.
ARTICLE VII – GRIEVANCE PROCEDURE

Section 7.1 – Grievance Defined

A grievance is defined as any meritorious difference, complaint or dispute, including disciplinary action towards an employee, between the Employer and the Union or any employee regarding the application, meaning or interpretation of this Agreement.

Section 7.2 – Processing of Grievance

Grievance shall be processed only by the Union on behalf of an employee or on behalf of a group of employees or itself setting forth name(s) or group(s) of the employee(s). Either party may have the Grievant or one Grievant representing a group of Grievants present at any step of the grievance procedure, and the employee is entitled to Union representation at each and every step of the grievance procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group.

Section 7.3 – Employees Excluded from Grievance Procedure

Probationary employees are expressly excluded from the terms of this Article and shall not be entitled to such during their probationary term.

Section 7.4 – Grievance Procedure Steps

Step 1 – Department Head

The grievance shall be reduced to writing and presented by the Union to the department head within fifteen (15) calendar days of its occurrence. The department head shall attempt to adjust the grievance as soon as possible, and therefore, will schedule a meeting with the employee, his immediate supervisor and Union representative within five (5) calendar days after receipt of the grievance from the Union. The department head shall then render a decision, based on the supplied information during the meeting, within five (5) calendar days of the meeting. Any resolution of this Step shall not be of precedential value in resolving future grievances.

Step 2 – Negotiating Committee

If the grievance is not adjusted in Step One, the grievance shall be submitted to the Negotiating Committee of the County Board within fifteen (15) calendar days of the receipt from the department head’s response to the Step One procedure. A meeting shall be held at a mutually agreeable time and place with the committee (or his representative) to discuss
the grievance and hopefully come to an equitable solution. If a grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the committee or their designee, shall give the Union the Employer's answer within five (5) calendar days following their meeting. Any resolution of this Step shall not be of precedential value in resolving future grievances.

**Step 3 – Pre-Arbitration Informal Meeting: Union/Employer Meeting**

If the matter is unresolved pursuant to Step 2 or no answer is given within the time specified, the Union shall give written notice to the Employer within ten (10) working days after the Step 2 answer, or after such was due, as the case may be, may appeal the grievance to Step 3 after such appeal, the Employer and Union shall meet to discuss the grievance which has been appealed to Step 3 at a time and place mutually agreed upon. Within five (5) working days of such meeting, the Union may decide that the grievance raises a substantial issue which should be submitted to an independent arbitrator in accordance with the procedures set forth within Step 4 of this Article.

**Step 4 – Arbitration**

If, in accordance with the above-mentioned procedure, the grievance is appealed to arbitration, the representatives of the Employer and the Union shall meet to select an Arbitrator from a list of mutually agreed to Arbitrators. If the parties are unable to agree on an Arbitrator within ten (10) working days after the meeting addressed in Step 3, the parties shall request either the Federal Mediation and Conciliation Service; the American Arbitration Association; or, the Illinois State Labor Relations Board, to submit a list of seven (7) Arbitrators. The parties shall alternately strike the names of three (3) Arbitrators, taking turns as to the first strike. The person whose name remains shall be the Arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of Arbitrators. The Arbitrator shall be notified of his/her selection by a joint letter from the Employer and the Union, requesting that he/she set a time and place for the hearing, subject to the availability of the Employer and Union representatives and shall be notified of the issue where mutually agreed by the parties. In no case shall the arbitrator have authority to award relief covering any period prior to the date that the Employee knew or through reasonable efforts could have known of the grievance.
Section 7.5 – Arbitration Procedures

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the Arbitrator. Both parties shall have the right to request the Arbitrator to require the presence of witnesses and/or documents. Each party shall bear the costs of its own witnesses.

Questions of arbitrability shall be decided by the Arbitrator. The Arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the Arbitrator shall then proceed to determine the merits of the dispute. The Arbitrator shall neither amend, modify, nullify, ignore, add nor subtract from the provisions of this Agreement.

The expenses and fees of the Arbitrator and the cost of the hearing room shall be shared equally by the parties. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent Arbitrator(s) during the term of this Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

The decision and award of the arbitration shall be binding to the Union, employee(s) and Employer. Such decision shall be within the scope and terms of this Agreement but shall not change any of its terms or conditions. The Arbitrator shall have no authority to add to the terms herein or impose on any party hereto limitations or obligations not specifically provided for in this Agreement, including any exhibits and letters of understanding between the Employer and the Union.

If either party desires a verbatim record of the proceedings, it may cause such to be made, providing it pays for the record and makes a copy available without charge to the Arbitrator. If the other party desires a copy, it shall equally pay for such expenses of the other party initially ordering such record, minus the costs of copying such.

Section 7.6 – Grievance Forms

The written grievance required under this Article shall be on a form which shall be provided by the Union. It shall contain a statement of the Grievant's complaint, the section(s) of this Agreement that have been allegedly violated, if applicable, the date of the alleged violations and the relief being sought. The form shall be signed and dated by the Grievant. An improper grievance from, date, section citation shall not be grounds for denial of the grievance.
Section 7.7 – Number of Representatives and Jurisdictions
The number of Union Stewards shall be agreed upon. The union shall designate the Union Stewards and representatives and shall supply a list of names in writing to the department head.

ARTICLE VIII – HOURS OF WORK AND OVERTIME

Section 8.1 – Court House Schedule
The normal full time work week for bargaining unit employees, except for janitorial and maintenance employees, shall be thirty-five (35) hours, Monday through Friday, and shall be seven (7) hours per day during regular court house hours. Janitorial and maintenance employees shall work eight (8) hour days and forty (40) hour weeks, Monday through Friday. All present employees shall continue the work schedule that those employees worked prior to this Agreement, including starting and quitting times and lunch periods.

Section 8.2 – Sheriff's Department Schedule
The normal full time work week for bargaining unit employees shall be forty (40) hours, shall be five (5) days Monday through Friday, and shall be eight (8) hours per day. The present employee shall continue the same starting time and lunch periods observed prior to this agreement.

Section 8.3 – Animal Control Department Schedule
The normal full time work week for bargaining unit employees shall be thirty-five (35) hours, shall be five (5) days Monday through Friday, and shall be seven (7) hours per day during regular court house hours. The nature of the work in this department dictates actual hours and schedule. It is understood that this work is, for the most part, unsupervised, and that the present employee(s) answers to the authority of the Administrator of Animal Control rather than to an immediate supervisor. The employee(s) must perform the duties to the best of his/her ability while assuming responsibility for limiting department expense. He/she shall maintain accurate time and work records. Full-time Animal Control Officers shall be provided uniforms at no cost to the employee(s). Animal Control Lead will be paid a stipend of $1.75 per hour. Employees will be required to carry a beeper as part of their duties without compensation.

Section 8.4 – Overtime
All hours worked in excess of the regular work week or work day as described in Sections 1, 2 and 3, will be paid for at the rate of one and one-half (1 ½) times the employee's regular rate of pay. Time off work for holidays, sick leave, vacation, compensatory time or other paid absence
shall be counted as time worked for the purpose of computing overtime. All hours worked on Sunday shall be paid for at two (2) times the employee's regular rate of pay.

**Section 8.5 – Call Back**

A call back is defined as an official assignment of work which does not continuously precede or follow an employee's regular working hours. Callback shall be compensated for at the appropriate overtime rate, with a minimum of two (2) hours pay per call back.

**Section 8.6 – Compensatory Time in Lieu of Compensatory Pay**

Employees covered by the terms of this Agreement may, in lieu of payment for overtime hours worked, choose the alternative of receiving compensatory time which may be accrued and used subject to the following provisions:

(a) The maximum amount of compensatory time which may be accrued at any point in time shall be forty (40) hours.

(b) Every effort shall be made to accommodate the individual employee's desire to take accrued compensatory time, but the employee and the department head must agree on a time-off schedule that will not unduly impede the operation of the department.

(c) Compensatory time will be accrued at the appropriate overtime rate for the hours worked. Compensatory time may be used in no less than one (1) hour increments. Compensatory time may be replenished up to forty (40) hours at any time. An employee may redeem compensatory time for wages at any time, to be paid at the next pay day or within reasonable time. All unredeemed compensatory time shall be paid on the first pay day in December of each year. No compensatory time shall be carried from year to year.

**Section 8.7 – Breaks**

Employees shall be afforded a paid fifteen (15) minute break in the work period before and after their regular lunch period if possible. Break time shall not unduly disrupt the work schedule, and there shall be no organized break schedule. Breaks are paid work time and if the schedule does not allow break time on a given day, or if a break must be shortened to perform a work duty, the Employer is not obligated to make up that break monetarily, in compensatory time or by reducing the work day or extending the lunch period. Employees will be allowed to take soft drinks or
snacks to their work place when duties prevent them from taking break time or cause them to shorten their break time.

**ARTICLE IX – SENIORITY**

**Section 9.1 – Seniority Defined and Applied**

Seniority shall prevail at all times within the bargaining unit.

Seniority dates of regular employees shall be maintained on two (2) lists. Regular full-time employees on List 1 and regular part-time employees on List 2. Seniority dates shall be provided by the employer and are subject to review by the Union, and subsequent grievance action.

Regular full-time employees shall be given first consideration in all matters involving seniority. Regular full-time shall be defined as a regular employment schedule of five (5) days per week and/or thirty-five (35) hours per week in a regular departmental assignment of duties within the bargaining unit.

Regular part-time employees shall be given second consideration in all matters involving seniority. Regular part-time shall be defined as a regular employment schedule of less than five (5) days per week and/or twenty-one (21) hours per week in a regular departmental assignment of duties within the bargaining unit.

Employees who have attained List 1 seniority status and later voluntarily accept a reduction in work hours shall retain List 1 seniority.

In addition to regular seniority lists, each department shall maintain a departmental seniority list. Departmental seniority shall be applied first in cases of upgrading of positions or advancement within that department. Departmental seniority shall only apply to regular full-time employees in that department. The employer shall not transfer duties or work between departments to circumvent the application of seniority.

Employees shall be deemed qualified to advance if they are qualified to perform the duties of the position or would be qualified with normal training and supervision. All issues of qualifications are subject to review by the Union and grievance procedures.

The employee may decline advancement or promotion at their option.

The departmental seniority date of all employees of the Circuit Clerk hired prior to December 1, 1996, shall be the date of initial hiring. Total service time shall be based upon that date. No employee of Mercer County shall, regardless of seniority date, be allowed to use seniority to displace or affect the employment of those employees of the Circuit Clerk so long as they remain
employed in that department. Those employees of the Circuit Clerk hired prior to December 1, 1996, shall not, regardless of departmental seniority date, be allowed to use seniority to displace or affect the employment of any other employee within the bargaining units hired prior to December 1, 1996.

Seniority of janitorial and maintenance employees shall be set as the date of hire of such employees as full-time employees and shall be maintained in a separate list from employees in the other bargaining units. Janitorial and maintenance employees shall have no bumping or bidding rights into the other bargaining units.

Section 9.2 – Application of Seniority

In all applications of seniority under this Agreement, the ability of the employee shall meet the qualifications and ability of the employee to perform the required work. Where ability and qualifications to perform the required work are, among the employees concerned, relatively equal, seniority as defined in Section 1 of this Article shall govern.

Section 9.3 – Breaks in Continuous Service

An Employee's continuous service record shall be broken by voluntary resignation, discharge for just cause and retirement.

However, if an employee returns to work in any capacity within twenty-four (24) months, the break in continuous service shall be removed from his/her record.

ARTICLE X – LAYOFF AND RECALL

Section 10.1 – Definition and Notice

A layoff is defined as a reduction in bargaining unit jobs. The County shall give the Union at least fifteen (15) working days’ notice of any layoffs except in emergency situations of disciplinary action wherein such period of notice may be reduced. Any such action is to be grievable by the Union for reinstatement and all sustained loss.

Section 10.2 – General Procedures

In the event of a layoff, employees shall be laid off in inverse order of seniority as defined in Article IX. However, prior to laying off of regular full-time employees, all temporary, probationary, or part-time employees functioning within the County shall be laid off or terminated, as the case may be. Prior to laying off a regular part-time employee, all temporary or probationary employees functioning within the County shall be laid off or terminated as the case may be.
Section 10.3 – Recall of Laid-Off Employees

The names of laid-off employees shall be placed on a layoff list. The life of such list shall be twelve (12) months. Qualified employees on layoff lists who bid on job vacancies in their current or a lower paid position shall have priority over other bidders for such position. In the event that more than one qualified employee on a layoff list bids for a vacancy, the vacancy shall be filled in accordance with the seniority provisions of Article IX.

Employees on layoff lists who are recalled to work shall have their seniority restored.

ARTICLE XI – FILLING OF VACANCIES

Section 11.1 – Permanent Vacancy

A permanent vacancy is created when the Employer determines to increase the work force or to fill a new position(s) or when any of the following personnel transactions take place within the bargaining unit, and the Employer determines to replace the previous incumbent: terminations, promotions, resignations or demotions.

Section 11.2 – Posting

Whenever a permanent vacancy occurs, other than a temporary vacancy as defined below, in an existing job classification or as a result of the development or establishment of new job classifications, a notice of such vacancy shall be posted on all bulletin boards for five (5) working days. During this period, employees who wish to apply for such vacancy, including employees on layoff, may do so. A job description with clear and complete explanation of duties and requirements shall be made available for all positions.

Section 11.3 – Selection

The Employer shall fill the permanent vacancy by promoting in the following order of seniority:

(a) If an advance in position or upgrade, first offer to senior qualified employees on departmental seniority list.

(b) Most senior qualified employee in the bargaining unit on seniority list 1 (regular fulltime employees).

(c) Most senior qualified employee in the bargaining unit on seniority list 2 (regular part-time employees).
(d) Any and all other means. An outside applicant will not be hired unless current employees are not qualified for the permanent vacancy, or cannot be qualified with regular training and normal supervision.

Section 11.4 – Probationary Employees

An employee is probationary for the first ninety (90) calendar days of employment.

No matter concerning the discipline, layoff, or termination of a probationary employee shall be subject to the disciplinary, grievance or arbitration procedures. At the request of the Union, however, the Employer shall meet and discuss the termination of the probationary employee with the Union, provided such request is made within seven (7) days following termination.

A probationary employee shall have no seniority, except as otherwise provided for in this Agreement, until he/she has completed their required probationary period. Upon such completion, he/she shall acquire seniority retroactively from the date of employment.

ARTICLE XII – DISCIPLINARY PROCEDURES

Section 12.1 – Employee Discipline

The Employer agrees with the tenets of progressive and corrective discipline and that it shall be imposed only for just cause. Discipline shall include but not be exclusive of the following progressive steps of priority:

(a) Oral warning with documentation of such filed in the employee's personnel file, with copy sent to Union office.
(b) Written reprimand with copy of such maintained in the employee's personnel file, with copy sent to Union office.
(c) Suspension without pay with documentation of such maintained in the employee's personnel file, with copy sent to Union office.
(d) Discharge with documentation of such maintained in the employee's personnel file, with copy sent to Union office.

However, the employer shall retain the right to invoke discipline which is appropriate under the circumstances surrounding the individual incident giving rise to disciplinary action, so long as such surrounding circumstances reasonably warrant issuance of discipline outside the customary steps of progressive corrective discipline.
Prior to actual imposition of written reprimands, suspensions without pay, or discharges, the employee shall be afforded an opportunity to discuss his/her views concerning the conduct causing such disciplinary action. Such discussion should take place as soon as practicable and not be unduly or unreasonably delayed, and the employee shall be informed clearly and concisely of the basis for such action. Furthermore, upon request of the employee, a representative of the Union (steward) shall be allowed to be present and participate in such discussions.

**Section 12.2 – Pre-Disciplinary Meeting**

In the event disciplinary action is contemplated against an employee (other than oral warnings), prior to any pre-disciplinary discussions or meetings with the employee, the employee shall be informed of his/her rights to Union representation at such meeting or during such discussion due to the fact that disciplinary action may be taken. In the event disciplinary action is taken, the employer shall promptly furnish written notice to the employee which clearly and concisely states the reasons for such discipline. A copy of such written notice shall be placed in the employee's personnel file, with copy sent to Union office.

**ARTICLE XIII – PERSONNEL RECORDS**

**Section 13.1 – Personnel Records**

The personnel record is available during regular business hours for an employee and/or his/her designee to review.

However, the record shall not be removed from the personnel department. Each employee is encouraged to contribute documents to their record that relate to his/her performance and accomplishments.

ARTICLE XXV – EMPLOYEE CONDUCT

Section 25.1 – Substance Abuse

(a) Purpose and Intent

Employees and the County have a mutual obligation to ensure a safe and healthy work environment.

This policy is instituted to assure that the work place be free of employees whose job performance may be impaired by the abuse of drugs and/or alcohol.

The Employer recognizes that drug and alcohol abuse may be considered treatable illnesses and to the extent possible the response to these illnesses may be treatment and rehabilitation.

It is recognized that the consumption of alcohol or drugs to the point that employees are unable to perform their jobs safely and effectively cannot be tolerated. It is recognized that when employees have placed themselves in a situation where their ability to perform their job is impaired by drugs or alcohol that it is the responsibility of the parties to remove such employees from the work environment to prevent the endangerment of the employee, fellow employees and/or the public.

The County recognizes employee concerns of personal privacy and that drug or alcohol testing shall be used only in cases where questions of impaired job performance are involved. No action shall be taken for off duty conduct.
(b) Prohibited Substances

Drugs shall be defined as those substances whose dissemination is regulated by law, including but not limited to narcotics, depressants, stimulants, hallucinogens, cannabis, and alcohol. This definition shall include over-the-counter drugs and/or drugs that require a prescription or other written approval from a licensed physician or dentist for their use. The drugs that are included in these categories are as follows:

1. alcohol
2. cannabinoids/marijuana
3. cocaine
4. heroin
5. opium or opiates
6. phencyclidine (PCP)
7. lysergic acid diethylamide (LSD)
8. barbiturates
9. amphetamines or methamphetamines
10. methaqualone
11. mescaline
12. glutethimide
13. phenocycladine
14. procyclidine
15. other controlled substances as defined in RCW 69
16. a prescription drug containing these controlled substances for which the employee does not have a valid prescription.

The presence of trace amounts of alcohol, cannabinoids and/or over the counter drugs as evidenced by a drug or alcohol test, shall not be grounds for disciplinary actions to the extent that job performance and/or the ability to perform safely is not lessened to any appreciable degree; except where the presence of these substances is in violation of an agreed upon treatment and/or return to work agreement.

Realizing that employees are not always aware of the content of prescription or over-the-counter drugs, and that some such drugs affect individuals differently, it is agreed
that no disciplinary action shall be taken against any employee who may be adversely affected by such drugs. Employees shall report to the department head the use of any such drug if they have been warned by their physician or pharmacist that it may impair their performance. In such case, they may be absent from work or may use accumulated sick leave. The department head shall determine if an employee remain off work when using such medication.

(c) Procedure

In the event there is reasonable cause to believe that an employee's job performance may be impaired by drugs or alcohol, the employee's department head shall question the employee with regard to the behavior. The department head shall directly observe the employee's behavior and document the behavior. Indications of impaired behavior include but are not limited to the following: staggering or irregular gait, the odor of alcohol on the breath, slurred speech, dilated or constricted pupils, inattentiveness, listlessness, hyperactivity, performance problems, illogical speech and thought processes, poor judgment, or unusual or abnormal behavior.

When possible, a second managerial employee shall also observe the employee to verify that there is a reasonable cause to believe that drug or alcohol consumption may be involved. A determination shall be made as to whether or not the employee's behavior is impaired to the point of being unable to perform his duties effectively and safely. The employee shall be relieved of his duties and placed on a suspension with pay status until a clear determination can be made as to the abuse or non-abuse of drugs or alcohol.

If it is concluded that there is reasonable cause to believe that drug or alcohol consumption is involved, the supervisor or appropriate manager shall have a drug or alcohol test administered. Failure of an employee to take the test(s) may be cause for disciplinary action. The test(s) must be conducted within a reasonable time period after the observation of the problem behavior. If the test is negative, the employee shall be counseled by the physician and returned to work if appropriate to the medical diagnosis. There shall be no loss of pay or benefits. Where appropriate a signed physician's release may be required by the Employer before the employee is returned to work. Time lost due to an illness will be charged to sick leave. If the behavior that led to the initial investigation is
not due to substance abuse but continues to hinder job performance, the County may require the employee to undergo medical evaluation.

If the test is positive, the employee may be disciplined depending upon the circumstances of the situation. Circumstances that would warrant an immediate termination would include incidents where the employee's impairment resulted in loss of life, serious injury to self or others, the serious loss or damage or property or an incident of parallel magnitude.

In cases where immediate termination is not warranted, the employee will be placed in an unpaid rehabilitation leave status. The employee shall be evaluated and a recommended appropriate treatment shall then be arranged. Where appropriate, the employee shall be referred to a treatment program agreed upon by the Union and the Employer. Once the inpatient part of the program has been completed, the employee may be re-employed, but only with a written release from a physician. Where it is prescribed by a physician and/or treatment program, drug testing may be included as a part of that treatment program. An employee who is returned to work as provided for under this procedure who fails to comply with any of the terms of an agreed upon treatment and/or return to work agreement, may be subject to the full range of disciplinary action, including termination. An employee who is the subject of an investigation related to substance abuse may have a Union representative or another employee present during the investigative procedure outlined above. Disciplinary actions taken by the County under this procedure shall be subject to the Grievance Procedure of the Labor Agreement.

The County shall utilize both urine and blood test for verification of a positive result. The "enzymeimmunoassay" (EMIT) and "gas chromatography mass spectrophotometry" (DC-MS) test method shall be used in a NIDA certified laboratory agreed upon by the employee and the County. The County shall pay for the costs of all tests and medical examination carried out under this procedure.

The County shall maintain confidentiality of test results to the extent possible.

The County, the employee and the Union shall work cooperatively to facilitate the resolution of problems that arise under the administration of this policy. When appropriate the employee and the County shall enter into joint agreement that establish the form of
treatment and the conditions that will be imposed for the return of an employee to the work place.

The parties agree to the use of Smithkline Beecham Clinical Laboratories or another NIDA certified laboratory, if the agreed upon firm is not available. Under no condition shall tests be performed in Mercer County.

The Union shall be notified when any of its members are required to take a drug and/or alcohol test.

The Union or its representative may contact the County Highway Committee and request same testing of supervisory personnel. The County shall treat such request with equal diligence and act accordingly to the information provided.
